Sir/ Madam,

Collaborator for Academic Project Courses, Faculty of Computer Science and Information Technology, Universiti Malaya

With reference to the above matter,

2. The Faculty of Computer Science and Information Technology (FCSIT) University Malaya is pleased to invite you to be the collaborator for the **Verdant-Search: Bridging Vision and Text in Distributed Search Through Multimodal Learning-to-Rank**. This project is under the supervision of **Dr. CHIAM YIN KIA**.

3. The Academic Project courses are mandatory for final year students of the Faculty of Computer Science and Information Technology as part of their graduation requirements. These courses are designed to nurture academically proficient and technically skilled graduates in the fields of Computer Science and Information Technology. During the course, students actively apply technical expertise, critical thinking, and problem-solving skills to develop innovative products. These projects are intended to meet collaborators' needs and enhance organizational efficiency.

4. This collaboration entails the involvement of the following student(s) from the Faculty of Computer Science and Information Technology working alongside you on the implementation of the aforementioned project. The faculty kindly requests your support in providing the student(s) with necessary information and/or other related resources to facilitate the successful completion of the project.

5. The following are the student(s) who will be involved in this collaboration

Name	: CAI HONGYI
Matric Number	: S2175463
